

Per conversation with Maureen Beitz (202-694-1135), FEC Senior Campaign Finance Analyst, on 10/03/2006, NCFC was advised for both credit card cases (\$1000 - Jean-Mari Peltier, \$100 - Greg Duerkson) to complete negative memo entries on form 11AI for both amounts in the October reporting period. We were then advised to "re-run" the two credit card payments and also file those for the October reporting period.
